

Third and Stewart Parking Garage

1619 THIRD AVE, SEATTLE WA 98101

OFFICE PH: 206-441-7928

OPEN: 24 HOURS, 7 DAYS A WEEK

HOTEL GUEST VALIDATION PROCEDURES PLEASE FOLLOW THESE INSTRUCTIONS CAREFULLY

- 1. Validations MUST be obtained from the hotel.** Only 1 validation ticket is required, per guest, per exit. The validation will reduce the parking rate to \$15 per day, (up to each 24 hour period that the vehicle remained inside the garage). There are no In & Out privileges. **Make sure you request your validation from the hotel and follow the usage instructions exactly as listed below. If you do not have this validation or fail to use it as instructed no discount will be applied to your parking and no refunds will be issued.**
2. When paying for parking, guest should insert their original entry ticket into one of the pay machines located in the Lobby of the parking garage or at Level "G" on the Sky Bridge. Once the amount appears on the screen, guest should then insert their single validation ticket (**received from hotel**) to reduce the parking fee to \$15 for each day parked. After which they may pay via cash, credit or debit card. Additional instructions are posted on the pay machine. Please be advised that you must exit the facility within 15 minutes after your parking ticket is returned to you for exiting or the system will request additional payment at the exit. If you need time to load your vehicle you should do so prior to making payment or additional charges will apply.
- 3. IMPORTANT: Parking on Level C and above. NO PARKING ON LEVEL A or B.** We are primarily a fully-automated parking facility, with very limited staff. **If you need assistance for any reason call buttons are located on all pay machines and all exit machine devices.**

This is a public parking facility please help to safeguard your belongings by locking your vehicle and leaving absolutely nothing in sight. We are not responsible for any vehicles or items left therein.

Method for processing Lost tickets.

The 3rd & Stewart Garage will ***no longer be able to honor*** the discounted rate if the original entry ticket has been lost.

A new method for processing lost tickets has been programmed for all lost ticket customers as well as one person that is generally on duty at the location.

If you have any questions or concerns you may contact the garage directly anytime at 206-441-7928 or email us at avinson@rpnw.com
